

Terminal Skandinavienkai

› GATE REPORT

Attention: Terminal traffic and rail traffic have absolute priority. German StVO applies for traffic within the terminal area. Maximum speed limit in the terminal is **30 km/hour**. Please mind crossing traffic. High risk area due to terminal vehicles and rail traffic. When driving within terminal, **please follow precisely instructions** of LHG-staff. Any directives of LHG-staff have to be obeyed. In the terminal it is mandatory to wear a safety vest and obey the strict non-smoking-rule. In all other respect LHG's General Terms and Conditions (Allgemeine Geschäftsbedingungen der Lübecker Hafen-Gesellschaft mbH) shall apply. Please see bulletin board in the waiting area of „Hafenhaus“.
